POLICE DEPARTMENT

In reading both TUPs, this year's application and last year's recommendations, I am inclined to utilize the same services as last year; two officers on an OT basis (event starts at 0800 and ends at 1200) to monitor the event parking area on NCB as well as traffic control once the riders start their journey. Since the actual event is being held on HD property, and because they are not selling any alcohol or food, I believe having the two officers would be sufficient. I would only add that a BIF be distributed to Patrol and Dispatch to advise them of the event.

(6) hours of overtime times 2 officers at a pay rate of \$79.60 per hour/per officer for a total of \$955.20 combined. **Four hours of overtime is the minimum per the NCPOA MOU. **
