**EXPLANATION:**

The FY21 State Homeland Security Grant Program was designed to supplement the purchase of equipment, training, exercises, and planning for Police and Fire personnel. The San Diego County Office of Emergency Services coordinates the requests for equipment, training, exercises, and planning. In order to receive grant funds, National City must authorize the submission of the Standard Assurances for the FY21 State Homeland Security Grant Program. National City's allocation was \$51,061 and Lincoln Acres was \$827 as we are their contracted Fire and EMS provider for a grand total of \$51,888 for equipment. The funds will be divided evenly between the City's Police and Fire Department.

This grant program requires the City to incur expenses, and then apply for reimbursement. In order to be eligible for reimbursement, the Police and Fire Departments must purchase and/or receive the items prior to the May 31, 2023 deadline. The appropriation will be used to purchase Confined space communications system, Line Gun for Rapid Extrication Module System (REMS), Air cart system for Supplied Air Rescue System (SAR), Winch for confined place, Ballistic shields, Tactical Reflective Face Shield, Clarus Micro Boom Mic, and Multi-Drone Set.
