Good morning BCC Members and Liaisons,

Hope this finds you all well. I wanted to inform you of a City Council decision made at the City Council Meeting, Tuesday, August 16, 2022 regarding public meetings for the City of National City. This decision was based on several factors and comparable to similar practices in neighboring cities.

Beginning Monday, August 22, 2022 until December 31, 2022, unless otherwise directed, all BCC meetings will return to and remain virtual only.

All meetings will be held via Zoom, recorded and provided on the City website, including live stream to allow for public comment. All written public comment will no longer be read into the record, but will be scanned, provided to BCC members via email and will be posted to the City website approximately 2 hours prior to the meeting to allow for public review following the deadline and allowing for liaison to process for release.

If you have any questions regarding this process please do not hesitate to contact me. Your commitment to the Community is commendable and appreciated.

Thank you for this information.

This is a relief for a working single mom. Logistically in person meetings are challenging, especially when school starts up again.

All my best,

Claudia
