National City Community and Police Relations Commission (CPRC)

The National City Community and Police Relations Commission serves as an independent, unbiased and impartial office that is readily available to the public. It is an organization for the improvement of police and community relations and the facilitation of disputes whenever possible. It provides a forum for citizens to voice their concerns, comment about police conduct, practices and policies and improves communication between citizens and the National City Police Department

The National City Community and Police Relations Commission is empowered to receive and review complaints regarding National City Police Department Personnel for alleged misconduct, and to recommend appropriate changes of Police Department policies and procedures toward the goals of safeguarding the rights of persons and promoting higher standards of competency, efficiency and justice in the provision of community policing services.

Applicants must be completely forthright and truthful during the application process. Applicants may be disqualified in the background process as a result of dishonesty and/or purposely omitting information regarding one's criminal history. Given the complexity of this Commission and its duties, it is necessary to pass a criminal background check prior to appointment by City Council and/or swearing in as Commissioner. The Human Resources department will contact you to schedule the criminal background process when, and if appropriate. It is important to note that you fill out this application completely and honestly to the best of your abilities. Failure to disclose your criminal history may result in disqualification. If a conviction has been expunged disclosure is not required.

Have you been convicted of a misdemeanor: No: X Yes:

If any convictions were expunged disclosure is not required.
