Caballero Productions Inc.
DBA Circo Hermanos Caballero
General Information

Our in house security is made up of two people from our company personnel and are fully dedicated to the safety and protection of our patrons as they also provide guidance in and around the circus tent show.

Our circus tent is in full compliance with all the sections of the ²⁰¹³~~2012~~ California Uniform Fire Code Title 24 Part 9 of the California Administrative Codes. We also have appropriate certification of Flame Proofing for the circus tent. A fire lane is maintained on all sides of the circus tent. The emergency exits are well lighted and clearly visible from any direction inside the tent and throughout to guide our patrons to safety in case of an emergency.

Restroom facilities are provided for the comfort of our patrons. The facilities are hired from a local company and are cleaned, sanitized, pumped and filled with chemicals as needed.

Recorded music beds are utilized for the performance and single microphone is used for the pertinent announcements. The sound is kept at an appropriate level and only inside the big top.

There are no alcoholic beverages served or sold what so ever. Only traditional circus concession items such as popcorn, soft drinks, cotton candy, hot dogs, snow cones, bottled water and nachos is what we cater to our patrons.

Our power is supplied from a 150KW generator enclosed in a 48 foot trailer with ventilated windows always parked 25 feet from the tent. A 100 gallon holding diesel tanks is next to the generator and a fire extinguisher is ready and available.

The circus contracts commercial waste management services at each location for trash removal. A 30 yard open top container is requisitioned and it is emptied as needed. The site is cleaned daily and it is returned to a as was condition after the final performance before the departure of the circus.

Our circus is professionally managed and directed by executives that have worked in the entertainment industry for more than thirty years. We provide a quality, world class, family entertainment service to enhance the life and lift the spirits of the community, creating a delightful sentiment and leaving a lasting impression in the heart of the same.

Circo Hermanos Caballero

Presented by Caballero Productions, Inc

General Information

Circo Hermanos Caballero is a family owned and operated European style Big Top Travelling Circus. The performance is one hour and 45 minutes, with a 15 intermission.

The Caballero family is committed to provide enchanting and delightful, high quality wholesome family entertainment to the American public in a safe and pleasant setting. State-of-the-art lighting and sound systems combined with theatrical and special effects are coupled and intertwined with superb artistry to produce a tapestry of awe, amazement, wonder and admiration that spellbinds the senses and emotions of the audience. There are no wild animals in the show, neither performing or for exhibition. It is definitely a high quality circus delivering a world-class performance.

The two-hour performance is presented in a European/Latin style, combined the best circus elements of both continents. The performance takes place in a one-ring stage with the audience at a comfortable distance. This yields a first-class performance. The spectators can better appreciate the show, and the players can enjoy the audience's undivided attention. Theatrical style, lighting, and a modern sound system provides an exuberant and vivacious circus experience. Jugglers, acrobats, dare devils, clowns, contortionists, flying trapeze artists and aerialists are the acts presented in our show.

It is in no manner a carnival. We do not offer any games of chance, mechanical rides, freak shows, or exhibitionists of any kind. We are a wholesome family entertainment serving the community by fostering the continuity of an age-old family tradition, yet in doing so we present it with a modern touch.

Circuses are indubitably, a cultural event, but more so a wonderful and delightful experience that brings families together for two hours of solid fun and excitement creating starry-eye memories that will be cherished throughout a lifetime. Circo Caballero has the ability to capture the hearts and imagination of the young and old alike, casting a "magical" spell over the spectator leaving them with eyes wide open (and often mouths wide open), as the audience watches in awe and disbelief the incredible and daring feats of the young men and women who fly through the air great elegance, gracefulness and incredible ease, like bird in flight.

Our circus is professionally managed and directed by executives that have worked in the entertainment industry for more than thirty years. We provide a quality, world-class, family entertainment service to enhance the life and lift the spirits of the community, creating a delightful sentiment and leaving a lasting impression on the heart.

Deputy State Fire Marshal

Circo Caballero Trash/Recycling Plan

Circo Caballero does not hire or contract with outside vendors or temporary workers. All staffing will be with workers that travel with the show. The staff is currently trained on proper sanitary and clean-up procedures. There is a staff of 25 people and while some people are working throughout the day, all of them are present from one hour before the first show of the day until after the show is over and clean-up is completed.

As opposed to a carnival where patrons wander all over the property and purchase food items throughout their stay, the circus limits the areas in which the public travels, therefore the major portion of the clean up will be in a limited area.

Staff continuously cleans up the entrance area throughout the time the show is open to the public so trash does not remain on the ground. Trash is cleaned up after each performance inside the tent. And, once each day, trash will be picked up in the parking area, which is expected to be minimal since most people consume items early in the show and are unlikely to bring trash back to their car.

A trash dumpster will be contracted for placement on the grounds. Several trash cans and recycle bins are available for public use in the circus entrance area. However, due to the nature of our operation, most people buy their food products and take them immediately into the tent where they sit down. They normally let their trash fall through the bleachers, where we clean it up after each show. For this reason, almost all of the trash remains inside the tent, making the possibility of it blowing around the property minimal.

Since sodas and water are served in plastic bottles and cans, our staff will put those, along with appropriate paper products into the recycle bins and transport them to an appropriate recycling facility or make arrangements with the dumpster company for their removal.

Circo Caballero Security Plan

LENGTH OF SHOW: Approximately one and one-half hours
EXPECTED ATTENDANCE: 300 per performance

**NO GAMES OF CHANCE, NO RIDES.
NO ALCOHOL IS SOLD OR SERVED, NO OUTSIDE CONTRACTED VENDORS**

Since Circo Caballero is a family show and attracts primarily families, in-house security has been sufficient to provide appropriate crowd control. Since there is nothing to see other than the show itself, there are no people just loitering in the area. Crowds come at show time, enter the enclosed midway area and take their seats. After the show there is nothing else to see so they exit to their cars.

Many of the things that attract or encourage trouble or the necessity for police intervention will not be present at Circo Caballero. Alcohol will not be sold or served and there are no games of chance or mechanical rides. While a carnival attracts ages 12 - 22, a prime age for those who cause trouble, Circo Caballero primarily attracts children of elementary school ages or younger along with their parents and grandparents.

Circo Caballero has its own security team consisting of uniformed (unarmed) security personnel (includes 1 head of security). The uniforms consist of matching Circo Caballero shirts and pants. This low key approach to security maintains the atmosphere of family fun. If requested, the security team can wear uniforms that identify them as security.

All security will be scheduled one hour before each performance and stay 30 minutes after the performance. Security personal will be stationed both inside and outside the tent as well as next to the ticket booth.

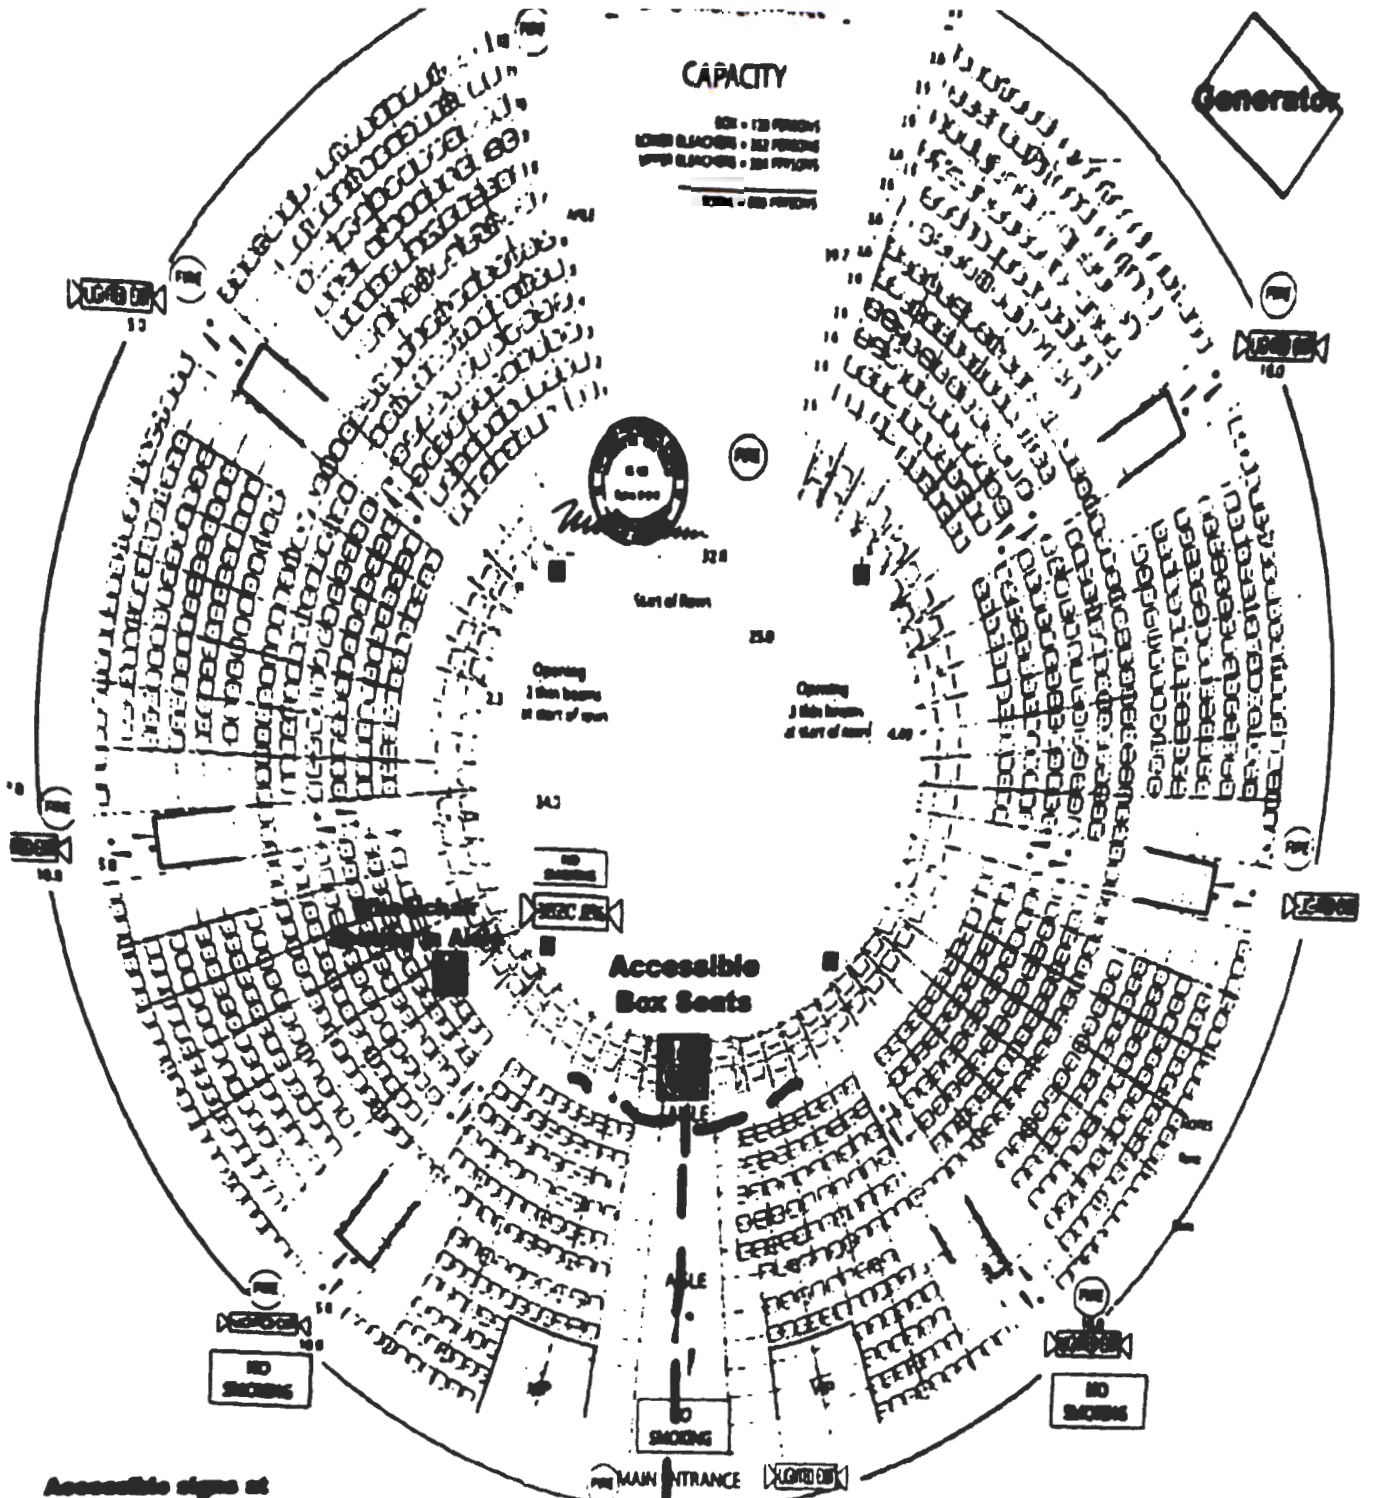

Security Personnel will have access to walkie-talkies for communication between themselves in addition to cell phones that can be used to call additional personnel as well as local police or fire, if it becomes necessary.

Further, the layout of the Circo Caballero tent has more exists than are required by State Codes and the total number of feet on those exists also exceeds state requirements. While Circo Caballero only seats up seats, we expect an average attendance of 300 - 500 people per show in, making the exiting far more than needed.

All requirements for aisles, lighting, electrical, generators, fire extinguishers and other safety issues are met or exceeded by Circo Caballero. In case of emergency, the exits lead to the fire lane, which is always kept unobstructed, making an easy path of escape for patrons.

Circo Caballero is expecting inspections by the local Fire Department as well as the city building department (if required) and the County Health Department. This will assure that we are meeting all those requirements for public safety.

Circo Caballero has trained first aid staff on site along with a first aid station.
