

AGENDA REPORT

Department: City Attorney's Office
Prepared by: Barry J. Schultz, City Attorney
Meeting Date: Tuesday, February 7, 2023
Approved by: Brad Raulston, City Manager

SUBJECT:

Public Hearing and Introduction of an Ordinance of the City Council of the City of National City, California Establishing the Compensation of the Mayor and City Council.

RECOMMENDATION:

Introduce an ordinance adjusting Mayor and City Council compensation in accordance with City Council direction.

BOARD/COMMISSION/COMMITTEE PRIOR ACTION:

Not Applicable.

EXPLANATION:

As an election has occurred and resulted in elected officials beginning new terms of office, the City Council at its January 17th meeting discussed changes to their compensation. In accordance with *Government Code section 36516.5* changes to compensation must coincide with elections at which members begin a new term in office. Changes made to compensation outside this window will not be effective until the following term in office (in two years).

The last salary adjustment for Mayor and City Council occurred on February 21, 2017. The last salary adjustment set the base salary of the City Council at \$1,189.78 per month and the base salary of the Mayor at \$4,532.13 per month.

Compensation increases cannot exceed 5% per calendar year from the date of the last increase in compensation, *Government Code Section 36516(a)(4)*. An elected mayor, pursuant to *Government Code Section 36516.1*, may be provided with additional compensation to that which he/she receives as a councilmember. There are no limitations imposed on the amount of the Mayor's compensation.

The City Council, in a 4 to 1 vote¹, directed staff to prepare an ordinance increasing their compensation by 30%. The 30% increase would increase City Council compensation to \$1,546.71 per month and the Mayor's compensation to \$5,891.77 per month. A proposed ordinance is attached increasing the salaries of the Mayor and City Council by 30% and is being submitted for introduction. Increasing the compensation of City Council and the Mayor will also require a budget appropriation for the remainder of fiscal year 2023.

Should the City Council wish to amend the ordinance's provisions, any proposed revisions should be included in a motion introducing the ordinance. Once the ordinance is adopted any additional changes will require re-introduction, with final adoption to occur at a later meeting. Delaying final

adoption of the ordinance in this manner may raise issues regarding the timeliness of the action under applicable state law.

FINANCIAL STATEMENT:

An increase at the maximum 30% allowable by law will add approximately \$36,500 of new expenditures to the General Fund.
