Please refer to the Local Assistance website at <https://dot.ca.gov/programs/local-assistance> for additional guidance.

The project's award information should be submitted to the District Local Assistance Engineer (DLAE) immediately after award of the construction contract. A copy of the project's award package also needs to be included with the submittal of the Administering Agency's first invoice to the Local Programs Accounting Branch. Please refer to Local Programs Procedures (LPP) LPP 01-06 for guidance regarding the contents of the project award package.

This allocation is not a commitment on the part of the State to make reimbursements until an Administering Agency - State Agreement (Master Agreement), if necessary, and a project specific program supplement are executed between the Agency and the State.

Your attention is directed to the Local Assistance Procedures Manual, LPPs and the current CTC guidelines for detailed instructions and information.

Sincerely,
