Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning July 1, 2024, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;

7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.

VAWA Attachment

On January 5, 2006, President Bush signed the Violence Against Women Act (VAWA) into law as Public Law 109-162.

Recently, Congress passed the Violence Against Woman Reauthorization Act of 2022 (VAWA 2022), which went into effect October 1, 2022. In response to VAWA, the National City Housing Authority (NCHA) has taken the following steps:

NCHA partners with the National City Collaborative (NCC) to provide services to individuals and families caught in domestic violence. These services include: 24-hour crisis line, legal support, transitional housing program referrals, clinical counseling, support groups, domestic violence treatment program for people who abuse, youth education and prevention programs, and volunteer training.

NCHA refers child or adult victims of domestic violence, dating violence, sexual assault, or stalking to NCC for assistance.

NCHA has revised many of its policies and procedures so as to enable child or adult victims of domestic violence, dating violence, sexual assault, or stalking to obtain or maintain housing. NCC provides numerous domestic violence prevention and intervention programs and classes. Clients are referred when there is a belief that they may be victims of domestic violence, or potential victims.

VAWA Components in the Housing Choice Voucher Administrative Plan

VAWA policies are incorporated throughout the Housing Choice Voucher Administrative Plan. Those policies are summarized below:

NCHA may deny assistance to applicants if any household member is currently engaged in, or has engaged in violent criminal activity or criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity during the past five years. However, no applicant who has been a victim of domestic violence, dating violence or stalking will be denied assistance if they are otherwise qualified for the program.

NCHA may terminate a participant family's assistance if any household member has violated the family's obligation not to engage in any violent criminal activity or criminal activity that may threaten the health, safety or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity during participation in the HCV Program. However, no Applicant who has been a victim of domestic violence, dating violence or stalking will have their assistance terminated if they are otherwise qualified for the program. Any incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy or occupancy rights of the victim.

NCHA may terminate the assistance of an individual family member to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.

There is no limitation on the ability of the NCHA to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims. NCHA will require certification by the victim of the victim status on such forms as the NCHA and/or HUD shall prescribe or approve.

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date.

If the family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY

Purpose and Applicability

The purpose of this policy is to implement the applicable provisions of the violence against women and department of justice reauthorization act of 2022 and more generally to set forth the NCHA's policies and procedures regarding domestic violence, dating violence, and stalking, as hereafter defined.

The policy is gender-neutral, and its protections are available to males who are victims of domestic violence, dating violence, or stalking as well as female victims of such violence.

Goals and Objectives

This policy and the following goals and objectives:

Maintaining compliance with all applicable legal requirements imposed by VAWA; Ensuring the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by NCHA; Providing and maintaining housing opportunities for victims of domestic violence, dating violence, or stalking; Creating and maintaining collaborative arrangements between NCHA, law enforcement authorities, victim service providers, and others to promote the safety and well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by NCHA; and taking appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by NCHA.

Other NCHA Policies and Procedures

This Policy shall be referenced in and incorporated in and made a part of NCHA's Admission and Continued Occupancy Policy. To the extent any provision of this policy shall vary or contradict any previously adopted policy or procedure of NCHA, the provisions of this Policy shall prevail.

Definitions

As used in this Policy;

Domestic Violence – The term "domestic violence" includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence – means violence committed by a person– who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of relationship, the frequency of interaction between the persons involved in the relationship.

Stalking - means to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of death of, or serious bodily injury to, or to cause substantial emotional harm to –that person; a member of the immediate family of that person; or the spouse or intimate partner of that person.

Immediate Family Member - means, with respect to a person - a spouse, parent, brother, sister or child of that person, or an individual to whom that person stands in loco parentis; or any other person living in the household of that person and related to that person by blood or marriage.

Perpetrator – means person who commits an act of domestic violence, dating violence or stalking against a victim.

ADMISSIONS AND SCREENING

Non-Denial of Assistance. NCHA will not deny admission to public housing to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

TERMINATION OF TENANCY OR ASSISTANCE

VAWA Protections. Under VAWA, public housing residents have the following specifications, which will be observed by NCHA. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence. In additions to the foregoing, tenancy or assistance will not be terminated by NCHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

Nothing contained in this paragraph shall limit any otherwise available authority of NCHA or to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, the NCHA may apply a more demanding standard to the victim of domestic violence dating or stalking than that applied to other tenants.

Nothing contained in this paragraph shall be construed to limit the authority of NCHA to evict or terminate from assistance any tenant or lawful applicant if the NCHA can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

B. Removal of Perpetrator. Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, HACNC, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by NCHA.

VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

Requirement for Verification. The law allows, but does not require, NCHA to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. NCHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by NCHA. Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

HUD-approved form – by providing the NCHA a written certification, on a form approved by U.S.

Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question must be described in reasonable detail as required in the HUD approved form, and the completed certification must include the name of the perpetrator.

Other documentation – by providing to NCHA documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.

Police or court record – by providing to NCHA a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

8. Time allowed to provide verification/failure to provide. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by NCHA, to provide verification, must provide such verification with 14 business days (*i.e., calendar days, excluding Saturdays, Sundays, and federally-recognized holidays*) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

C. Waiver of verification requirement. The Executive Director of NCHA may with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case of cases, regardless of similarity in circumstances.

CONFIDENTIALITY

Right of confidentiality. All Information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to NCHA in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is: Requested or consented to by the individual in writing, or required for use in a public housing eviction proceeding, as permitted in VAWA, or otherwise required by applicable law

B. Notification of rights. All tenants of public housing shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

Transfer to New Residence Application for transfer. "Emergency Transfer Plan for Victims of Domestic Violence". In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, NCHA will, if an approved unit size is available at a location that may reduce the risk of harm, approve transfer by a public housing to a different unit in order to reduce the level of risk to the individual. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence, dating violence, or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

Action on Applications. NCHA will act upon such an application promptly.

No right to transfer. NCHA will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action.

COURT ORDERS/FAMILY BREAK-UP

Court Orders. It is NCHA's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by NCHA and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

B. *Family Break-Up.* Other NCHA policies regarding family break-up are contained in NCHA's Administrative Plan.

NOTIFICATION

NCHA shall provide written notification to applicants, tenants, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

RELATIONSHIP WITH OTHER APPLICABLE LAWS

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

AMENDMENT

This policy may be amended from time to time by NCHA as approved by the NCHA Board of Commissioners.

DEFINITION OF SUBSTANDARD DEVIATION AND SIGNIFICANT CHANGE OR MODIFICATION

Substandard deviation;

The following actions would be considered a substantial deviation from the 5-year plan:

Change to the target population included in the adopted plan. Decisions to change the process for accepting applications to the Housing Choice Voucher Program.
Decision to change Priority of Preference Criteria for the Housing Choice Voucher Program.

It will not be considered a substantial deviation from the plan:

- To choose another course of action not specifically spelled out in the plan to meet the established goals.
- To meet goals of the program to assist low-and moderate-income population in a manner not discussed in the adopted plan.
- To increase or decrease the Payment Standard (PS) (within budget authority) based on, (1) in the case of an increase to the PS, unforeseen increases in rents or inability of tenants to rent units within the program rules or (2) in the case of decreases to the PS, reductions in the budget authority awarded by HUD.
- To make modifications to the Administrative Plan which improve the access to the program by applicants and participants or clarification of new issues in order to provide a consistent implementation of the rules.
- To incorporate new procedures brought about by new regulations or clarification of regulations by HUD.

To make changes to parts of the plan, which are found to be inconsistent with regulations. To make changes required by statute or regulation that need to take place before a consultative process can take place. Changes in the Standard Operating Procedures that do not involve policy decisions.

Significant change or modification:

A significant change or modification is defined as discretionary changes in the plan or policies of the housing authority that fundamental changes the mission, goals, objectives or plans of the agency which require the formal approval of the Board of Commissioners. Other similar circumstances will be treated as defined above. Those items which are considered a substantial deviation would require Board Approval at a Regular Meeting of the Housing Authority Board of Commissioners and submission to HUD at the next annual submission, where a report will be given of policies changed since the last submission of the Plan. Where feasible on discretionary issues, the Housing Authority will make an effort to consult with the Resident Advisory Committee

prior to bringing the issue to the Board.

SMALL AREA FAIR MARKET RENT (SAFMR)

The Small Area Fair Market Rent (SAFMR) Final Rule was published on November 16, 2016 and became effective on January 17, 2017. Under the final rule, the use of Small Area FMRs is required in the administration of the HCV Program for certain metropolitan areas, including San Diego-Carlsbad, CA MSA, beginning on October 1, 2017. Although HUD has suspended the implementation of the SAFMR, it was reinstated effective January 1, 2018. The purpose of this rule is to establish a more effective means for HCV tenants to move into areas of higher opportunity and lower poverty by providing the tenants with a subsidy adequate to make such areas accessible and, consequently, help reduce the number of voucher families that reside in areas of higher poverty concentration.
